Happy holidays to all you kinksters and kink-interested parties out there.

NYC's own Mistress Natalie tops one of our lovely models, Justine Marie. Natalie maintains strict control over her slave, putting Justine through a series of D/s scenarios and lots of painful fun. If you've never had your mouth stuffed with rubber panties, I highly recommend it. It's a great way to clean the crotch and silence the chatter at the same time.

Mona and Sorbetto are back for a little office time caper. Seems boss lady is not satisfied with the work ethic of Sorbetto. Constantly distracted by her sheer power and luscious curves, he can not get anything done. So, Mona puts him to use as a tongue slave and a fuck toy, but only after cracking his head like a nut between her thighs. Who wouldn't want to be that lucky bastard? Her full bladder is relieved into a proffered vase. Mona is a real sport in the end, directing an ample soaking on her tits.

Incredible, gorgeous and very pregnant Rina Ellis shares intimate details regarding her delicate condition. But it's her beauty that really shines through. Rina's smooth skin and silky hair as well as her swollen parts are truly something to behold. Savor your private moment with her.

Fans of foot sex and shrimping won't be disappointed in this month's offering. Marco can't keep Yasmin's tender feet out of his mouth, as he is a connoisseur of foot funk. Yasmin's proficiency and soft, rippled under soles are utilized again and again to bring Marco to the brink. Finally, after plying her depths for a few strokes, he splooges all over her dainty peds, a tasty treat for her!

Enjoy!

When did you start fetish modeling and under what circumstances?
Mistress Natalie: I'm guessing I started around 1998. My career as a pro-Domme began in 1993 when I was 18. Photos for advertising became essential in the late 90's and I began modeling the first of many kink photo shoots to come.
Justine Marie: I started when I was 18, I was really into fetish looks and wanted to play dress up!

How did you feel the first time you took your clothes off for the camera?
MN: All of my photo shoots are clothed in heavy fetish gear and fashion. I did a semi-nude shoot once. It was a challenge.
JM: I was empowered! I felt free and sexy!

How did you become aware of fetishism and your fetishistic side?
MN: My first exposure was seeing a self portrait of Robert Mapplethorpe in a photo book. He was wearing chaps, a porter's cap and had a bull whip up his ass. I was captivated by it. I was probably 13. Next was a book called *Modern Primitives* that showed heavy piercing and waist-corset training. Growing up listening to metal and punk, the aesthetic of both genres had heavy kink influences. In my early teens before I knew kink and BDSM was a "thing" I felt highly attracted to these visuals.
JM: I was a young goth kid and loved the darker, and more fetish looks early on, the rest came with that!

What fetishes do you like personally? What do you fetishize in your life?
MN: Leather chest harnesses, leather porter's cap, military uniforms, latex aprons, gas masks, combat boots, corsets, etc.
JM: I love latex, stockings, my feet being touched, piss play and choking.

Do you wear fetish clothes in public? What are your favorite items?
MN: Yes I love to wear chest harnesses.
JM: I do! I love my latex stockings, collar and panties the most because I can secretly wear the latex underneath my normal clothes and feel delightfully kinky with them hidden underneath.

Have you ever scened in public?
MN: I have done a lot of public play.
JM: Yes! Public bathrooms are a fun place to play! Hehe!

Are you dominant, submissive or a switch?
MN: Dominant and kinky.
JM: I'm a switch, I love it all!

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
MN: I've always been very sexually open but over time I've tried things that I did not think would be exciting but became so because of the connection with the person I was doing it with.
JM: I think a healthy environment with the right play partners can really unlock your comfort ability with most kink play! There's not much I wouldn't be willing to try for the right person!

Is there anything you would like to try sexually/kinky that you have not done yet?
MN: Sewing someone's mouth shut with stitches.
JM: I'd love to be bound overnight and played with over and over all night.

Do you like rough sex?
MN: I am a huge fan of pegging and if my bottom likes a really good pounding, I am more than happy to administer. I am very good at it.
JM: I love the feeling of choking and being choked, and hard, deep sex too.

What about pissing or golden showers? Has anyone pissed on you? Or you on them?
MN: I have pissed on and in more people than I can count. I have never been peed on (well at least not on purpose.)
JM: Oh of course! Both! I love piss play!

What are your hard limits?
MN: Roman showers.
JM: Not into any scat play and I don't like punching, but most other things are on the table!

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?
MN: My biggest requests are for feminization, pegging, forced bi, hypnosis, restrictive bondage and medical play. As long as they are safe, sane and consensual, I will entertain the more extreme and bizarre requests. This is not to say that I enjoy those more than lets say foot fetish or OTK. I have realized it is way more about the power exchange and connection with my sub than the specific activities. I also am a big fan of role-play.
JM: Foot fetish content is my favorite, and I do a lot of that! Nothing particularly outrageous to me, because I don't think there's anything really in kink that's not "normal" in my opinion.

Do you get requests for pantyhose? Stockings, shoes etc.
MN: OHHHHH yes and I love it! My feet are one of my most erotic spots.
JM: Oh of course! I love socks and stocking gifts! Taking them off and giving them to the person in person is my favorite.

Do you like foot and leg fetishism, attention to your feet?
MN: Definitely!
JM: I love them being rubbed, nibbled on and the feeling of giving foot jobs. Feet are my absolute favorite tool.

What kind of porn do you prefer? What do you search for on the Internet?
MN: Usually anal porn and fisting.
JM: I will watch most things, I'm into lactation stuff currently. My porn searches vary day to day depending on my interests at that moment.

Are you in a fetish lifestyle partnership? Would you like to be?

JM: I am, and I would find it hard to not be in one since kink is very important to me.

Why did you want to shoot for TABOO Magazine?

MN: I am always about new experiences and I love to make new connections. This opportunity was really exciting.

JM: I love the beautiful and naughty sets, and the awesome community this magazine celebrates!

What was your favorite part of shooting for TABOO?

MN: Ellen, the photographer and my co-model Justine were amazing. to work with. We had so much kinky and devious fun. Loved everything about it! However, I do wish I had a foot sub on hand to tend to my feet after hours standing in heels though.

JM: Getting to be dominated by the beautiful mistress Natalie was absolutely the best part.

When did you start fetish modeling and under what circumstances?
I started when I first started shooting movies back in 2016, right before I turned 22. I have always been very sexual,quirky,and unconventional, so fetish modeling is a good fit for me.

How did you feel the first time you took your clothes off for the camera?
It felt great! I was a little nervous, not in a negative way, but in an excited way. A huge adrenaline rush and butterflies. That kinda thing. It felt very natural.

How did you become aware of fetishism or your fetishistic side?
I started to experiment sexually and I became more curious about different kinds of fetishes. A close friend of mine helped bring it out. They really made me feel less ashamed to try new things.

What fetishes do you like personally? What do you fetishize in your life?
I am a huge exhibitionist at heart. I get very excited knowing that I am being watched. I like dressing up in masks and uniforms etc. Being bossed around in the bedroom and getting eaten out while restrained. Anything wet and a lot of licking! I enjoy having my tits and feet played with. I am also very turned on by giving. If I'm into you, I love to eat ass. I have taken a break the past few years, but I am making a comeback. When I'm fully recovered and healed, I'm SO excited to produce new fetish content for my fans! I love being creative!

Do you wear fetish clothes in public? What are your favorite items?
I love harnesses, I own a good amount of them. Also love PVC. I find it incredibly sexy. I love how tight it is and how it feels . I have worn both in public to events and of course in photo shoots.

Have you ever scened in public?
Yes! I am an exhibitionist. There's definitely a time and a place and when it's right, it's very enjoyable, incredibly horny and exciting.!

Are you dominant, submissive or a switch?
Switch! I like a variety and it depends on my mood and how I'm feeling at the time.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?
Yes, they have. The main thing is that I *have* boundaries now. I better understand myself. I know what I like and what I don't like. Experience is so important!

Is there anything you would like to try sexually that you have not done yet?
I would like to explore more of a dom and sub relationship. Having sex live on a stage, like the shows in Amsterdam, could also be fun. I love performing!

Do you like rough sex?
If it is with someone I trust, feel safe with and am very into, then yes, I absolutely love it . I even like it with a bit of humiliation. I enjoy choking, slapping and pushing my boundaries.

What about pissing or golden showers? Has anyone pissed on you? Or you on them?
I have done both. I enjoy it in my personal life, but I wasn't always open about it.

How do you feel about anal sex?
I prefer butt play, using butt plugs and vibrators , having my ass licked, as opposed to hard anal penetration. I have very small holes down there. I really have to be in a specific mood for it, I mostly enjoy vaginal penetration.

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?
Most of my custom request are JOI (jerk off instruction) videos, where I'm usually naked. A good amount of foot content. I also get uniform requests, cliche things like student, stepsister, stepmom, cheating wife, etc. I do get asked to do hard sports but I decline. I used to have a fan request to record myself whenever I get a cold and blow my nose in front of the camera and just talk about how sick I feel. I did get asked to dress up as a cat and meow for them, and a clown and masturbate too. So random and specific at times!

Do you get requests for pantyhose? Stockings, shoes etc.
YES! Stockings and pantyhose, especially when they have been worn. I always keep them, even if they rip, in case someone wants to buy them. I keep my old shoes too.

Do you like foot and leg fetishism, attention to your feet?
One of my favorite requests I receive are foot content as I genuinely enjoy doing them. I understand the appeal especially as I like women's feet. I love getting pedicures, playing and teasing with my feet, and foot job with dildo /worship content. I get asked to put lotion on my feet and lube to make it look like cum and rub it all over my feet, with toe sucking and showing off my arches. Occasionally, they also like dirty feet and spreading toes.

What kind of porn do you prefer? What do you search for on the Internet?
I usually go for amateur content. I know a lot of people feel that way but I like the amateur content that real life couples make where It looks realistic. Before I went through a phase of enjoying hentai for the opposite reason, where it's not real. It's exciting to get out of reality sometimes too.

Are you in a fetish lifestyle partnership? Would you like to be?

I have been in several in the past with a variety of different people . Now I am married, but my husband is very open minded and not judgmental at all and I enjoy that we can explore each others fetishes.

Why did you want to shoot for TABOO?
I love all the gear that I was able to shoot with. I love how sexy it looks and I also think it's a great fit for me. I don't have a conventional look so I love that I was able to shoot something that's a little out of the norm and where I'm not in my usual state.

What was your favorite part of shooting for TABOO Magazine?
I have always wanted to be in Hustler because of how sexy they make everyone look. I enjoyed shooting with Ellen. She is so encouraging and has great creative direction and she made me feel very comfortable! I liked the different poses and the bondage.

How many months along are you?
I am almost 7 months! :)

How has pregnancy affected your sex life?
At first it wasn't easy. I had pretty bad nausea but as soon as I passed 10 weeks, my sex drive drastically went up. And with the hormones, I had extra, natural lubrication down there and extra sensitivity, which makes sex amazing!

What changes have occurred in your body?
My hair grew a lot faster than usual and my nails too and they were very strong. My belly is inevitably very big. The trade off is that my boobs went up a couple cup sizes and my nipples are darker. In my opinion they are the best they've ever looked! I look pretty much the same down there (when my belly wasn't in the way!) However I am much more lubricated, sensitive and even a little bit tighter!

Are your breasts a lot more sensitive during pregnancy?
Definitely. My nipples especially, are way more sensitive. I haven't leaked yet but I'm sure that's coming!
